Event Information

Duluth III Regional Apr 26-28, 2024

Welcome!

Please visit at the studio check in table upon arrival to receive your welcome information.

Studio Critiques & Scoresheets

Critiques and scoresheets will be available online for 30 days immediately following the conclusion of your event. To access, simply log on to your studio account via our website. In rare occasions, due to technology limitations, critiques and scoresheets may be given out on a USB drive. In these cities, you will be notified upon checkin. If you fail to pick up your USB at the event, we will ship it to you upon request (fee \$15). Please contact our office after your event if you like your USB shipped.

Schedule

Please have your performers dressed and ready approximately one hour before they are scheduled to perform. Theater doors open one hour before the start of competition – please note that doors will remain locked until scheduled opening time. Performers are given a minimum of 15 minutes for costume changes. If a performer has less than 15 minutes and you foresee a problem, please notify our office.

Dressing Areas

Dressing areas/rooms have been assigned based on the number of performers from each studio. Rooms have been clearly marked with each studio name and code. Multiple studios may be assigned to one dressing room or area. There will be one male dressing room to accommodate performers from all studios. If you need any assistance locating your assigned dressing room, please ask a staff member. Under no circumstances should anyone remove, destroy or change signs on dressing rooms. Please do not enter any other studio's assigned dressing space at any time during the competition.

Music Submission Guidelines

Music must be uploaded via your studio account portal by Monday morning at 8am CST – no exceptions. Routines that do not have music uploaded by this time will be scratched. Refunds will not be issued. Music will not be accepted on site (other than if a backup is needed). If a backup is needed on site, we will coordinate appropriately.

Backstage Manager/Props

All entries should check in with the backstage manager at least 5 numbers before they are scheduled to perform. Once dancers have checked they should remain backstage and listen carefully for the emcee to call their number.

Photography/Videography

No cameras of any kind may be used during performances. The audience is welcome to shoot photos (including flash) during our awards ceremonies. If our media team will be capturing photo and video during your event, information has already been sent to your studio.

Awards Ceremonies

All students are welcome onstage during awards. Please have one student designated to collect the awards for each entry. As a courtesy to other studios we ask that all students remain on stage during the entire awards ceremony, remain silent during the awards ceremonies, and be courteous to performers from other studios. Awards left behind will not be sent to studios; all awards must be picked up prior to the conclusion of the competition.

Cash Awards/Award Certificates

Award checks for cash prizes are made payable directly to the studio and award certificate amounts will be credited to your studio account. Credits and checks are issued approximately two weeks after the close of competition. A form detailing awards won will be uploaded to your studio account for your reference. Studio award checks must be cashed within 90 days from date of issue. Checks not received must be reported to the CTC office within 30 days of the conclusion of an event. Lost checks will be reissued once the 90 day time frame has expired. Checks returned to our office but not reported lost will be converted to award certificates.

If you have any other questions, please don't hesitate to ask. Good luck to your students and thanks for being a part of Celebration Talent Competition!
