

# SENSORY PLAY

@ Dreams Come True Dance

## Children First!

## Sensory Play at Dreams Come True Dance

For children age 12 & under with sensory sensitivities or sensory seeking. This includes children with a diagnosis of any communications disorder, developmental delay or special needs. Sensory Play is for students who are unable to participate in our regular dance classes at the studio. Low volume music, weighted balls, sensory bins, scooters, swings, tunnels and inclines are some of what will be available. Rocking, spinning, jumping and balancing apparatuses will be available for your child to enjoy and explore. Forms must be filled out online prior to participation. Please contact us with any questions you may have or if you would like to address specific needs prior to attending. Only one guardian will be allowed to attend with the child.

Location: Dreams Come True Dance, Grand Rapids
