

# DCT PICTURE DAY FORM

All files will be emailed to the email on your Mindbody account. Your order will include 2 individual photos and 1 team photo to be duplicated/printed/shared to your liking. We will also include a photo release statement so you are able to reproduce your images easily. Two poses for each image will be attached in the email. DCT has photo release forms for all of our students. If you have a reason you do not want your child's team photo shared, have them step out for the group photo and notify us that day so we can plan accordingly.
